To all Feeder Primary Schools

Dear Headteacher

## The Corbet School Diamond Anniversary

You may have already heard that in 2017 The Corbet School will be celebrating its 60<sup>th</sup> year with a Diamond Anniversary Festival which will be held at the school on **Saturday 20<sup>th</sup> May 2017**. The festival will be the central event and part of a year-long celebration which will include a variety of events and activities. As well as celebrating our past we aim to raise funds to allow us to refurbish the science laboratories to make them suitable for modern science lessons.

Our vision is for the Festival day itself to span the afternoon and evening (hopefully outside!), with a programme of performances on the stage, sporting activities, competitions, craft and commercial stalls, reunion events, food, bar and much more! We are at the exciting stage of planning and as one of our valued feeder primary schools it would be fantastic if your school could take part with a view to staging an activity during the afternoon that involves the pupils of your school (e.g. dance, singing, sporting talent etc). Our theme is 'Through the Decades' to add to the fun! There will also be an opportunity to host a stall but more details about this will follow.

By supporting with the event it will also allow the pupils to have a real feel for the school and with the fundraising going towards the improvement of the facilities they will also benefit as welcome pupils of the future.

One of the planned activities is to hold a grand prize draw throughout the year which is an area that you may also want to support with by helping to sell some tickets towards our fundraising goal.

We are very aware that The Corbet School is part of the local community and that many parents, children, primary schools, businesses and local organisations have all been a part of our history. We hope that you are able to support us with this exciting year ahead.

If you would like to take part in the fun and so that we can plan ahead, can you please fill in the slip overleaf and send in to school by 25<sup>th</sup> November if possible.
