Mr P. Adams

Hello again,

It was wonderful to see so many parents and pupils at our annual carol concert, especially as **last year's had to be cancelled due to the weather. It is a real credit on our Performing Arts Department** to have organised such a fabulous service. A special thanks also to All Saints Church, Baschurch, for allowing us the use of the church and supporting the event.

While talking about Performing Arts, I hope that you were able to see our magnificent production of Les Misérables. Congratulations to all involved, we really do have some very talented pupils.

It was a real pleasure to welcome back the class of 2018 to their Celebration Evening. The certificates and prizes were presented by Malcolm Farrar, Road Safety Officer, Shropshire Council. Malcolm is a very good friend to the school and much loved by the pupils. The pupils should be rightly proud of themselves for achieving such magnificent results and pushing themselves to make such great progress during their time at The Corbet School.

The CFA Christmas Bingo was, as usual, a great success. To those who donated prizes I relay my thanks; it raised over £600.00. The CFA contributes a lot to support the school and we **are very grateful to them. They are hoping to organise a "quiz" or "race night" in the Easter term** along with Easter Bingo

There has, yet again, been a lot going on with our sports teams and there are more details inside.

I was disappointed that more money for education has not been found by the government in the budget. This situation cannot go on and we need politicians to support our education system with proper and adequate funding.

As I am sure you know by now I have made the decision to retire in August, at the end of **the school year, until then it's business as usual. The governors will be starting the appointment process** for my successor early in the New Year. I shall write some reflections on my 10 years at the Corbet in the July newsletter.

Please find enclosed a timely reminder of the Emergency Procedures.

Finally, may I wish you all a very merry Christmas and a Happy New Year. This has been a **very long term and I'm sure all members of our school community are looking forward to the Christmas break.** Pupils return to school on Tuesday 8th January 2019.

Exam Invigilators

Are you interested in becoming an exam invigilator for the Summer 2019 season? Full training will be provided. For further details and an application form please contact Sue Mapp, Exams Officer: mapp.s@corbet.shropshire.sch.uk or telephone 01939 260296.

Parent Evening Questionnaires

Please can we ask parents to complete the Parents Questionnaire when they attend parents evenings as the information gathered can then be analysed by the Senior Leadership Team and acted on if required. When a concern is raised could we please ask that parents contact the school directly or put their name on the questionnaire in order for the school to follow this up.

School Emails

Some parents have highlighted that they are receiving school emails into their 'Junk inbox'. Please may we ask that you check your 'Junk inbox' to check for any emails from the school.

Mobile Phones

Mobile phones are not to be used during school time. Can parents/carers please support us with this, if your child is not feeling well or needs to contact you they must go to reception, not use their mobiles. Thank you.

Rock The Ribbon

Thanks to all who supported World Aids Day by buying a red ribbon to wear. £69.46 raised for the charity.

Governors

I should like to thank Sam Doubleday who has retired from the governing body due to work commitments and to welcome two new parent governors, Lisa Cork and James Staniforth. **The governors have been sorry to receive the headmaster's resignation and decision to retire.** Mr. Adams has led a happy and successful school for the past ten years during which it has sustained its position as one of the top secondary schools in Shropshire. Indeed this year it is at the very top!

The refurbished Science labs are now in operation and governors would like to thank all those who had any part in helping to raise the necessary funds for such a major achievement. They should also like to congratulate the school on a most impressive performance of Les Miserables. It has been a busy and productive term! Merry Christmas!

Helen Scarisbrick
Chair of Governors

If you would like to contact the Chair of Governors, Mrs Helen Scarisbrick please email the Clerk to the Governors, Mrs Jane Davies. davies.j@corbet.shropshire.sch.uk

Maths Young Leaders

On Tuesday 4th December the maths young leaders taught year 6 pupils from our local primary schools various maths topics. The experience was festive and enjoyable because of the special activities that we had spent many weeks preparing. Having the opportunity to plan activities and then teach them has helped our self-confidence and public speaking skills. This day brought our young leaders course to a close after months of commitment to the qualification. The course has helped us to improve our organisational skills, developed our communication skills for younger audiences (and definitely tested our patience skills).

We are glad that we have had this opportunity and we all would strongly recommend this experience to other students in the future.

Young Leaders this year: Charlotte Tench, Siân Roberts, Ashleigh Hayward, Martha Creaser-Ogden, Neve Hayward, Erin Marmaras, Macie Smith, Ceri O'Hagan, Emma Bartlett, Florence Wright, Evie Allen, Hannah Redding and Lauren Badger.

Year 11 GCSE Maths in Action Trip

At 9am in the morning. We set off on a long trip to Salford University in Greater Manchester to **take part in an exciting day called 'Maths in Action'**.

To begin with we welcomed to the stage was Cerys Bradley who was there to introduce the first speaker, Colin Wright, a very talented mathematician who had a random skill in juggling. He went though how patterns are involved in maths day to day and was very interesting.

Then, Cerys introduced herself as she was there to lecture us on Tor, statistics and the dark web. After this we given a very humorous talk on exam practise by Paul Harrison who seemed to incorporate Twitter into his lecture. After a break, a lady called Sabine Hauert introduced us to swarm modelling and Nano medicine. She was interactive to the audience and made a confusing subject extremely fascinating.

In the final lecture before lunch we had a last minute addition to the day, a lecturer from the University of Salford who came to the stage and talked about how maths is involved in rigging sports, which was a topic that most of us probably did not comprehend fully before the day.

Finally, a maths magician named Matt Pritchard arrived and performed some great magic that was accompanied by a bit of maths.

The day was very informative.

Thank you to Miss Evans and Mr Goodall for a great day.

Zak Smith 11E

Q&A with...Mr Adams

This term our journalism club have been busy refining their interview skills! In our first piece we interview Mr Adams and ask the questions we all have on our minds.....

1. What is your favourite sport?

I like lots of sports, but my favourite is probably cricket. I can't play it very well, but I enjoy watching it.

2. Where did you go to University?

I went to Birmingham for my Chemistry degree and Hull for my teaching.

3. Do you prefer tea or coffee?

I like both. However, when it comes to coffee, I prefer fresh, filter coffee and not instant.

4. What is your favourite TV show?

I like the latest Netflix Star Trek series.

5. What was your favourite subject at school?

I really liked chemistry and physics, maths and biology, however I didn't quite like biology as much as the other sciences. I found English difficult and I didn't enjoy that.

6. What's your favourite film?

It's called "Almost Famous" and it's about a boy aged 15 who goes on a tour with a band.

7. What's your favourite book?

I really like High Fidelity by Nick Hornby.

8. How long have you been teaching here?

At the end of this year, I will have been here for 10 years.

9. What primary school did you go to?

I went to two: Westwood Junior School and Histon Junior school.

10. What did you want to be as a kid?

I actually really wanted to be a teacher, believe it or not.

EXTRA! EXTRA!

CALLING ALL JOURNALISTS!

Do you like to ask questions? Do you like to write? Do you want to see your name in print?

JOURNALISM CLUB

Tuesdays – Room 8 – Lunch time

Please see Mrs Ashton for more information

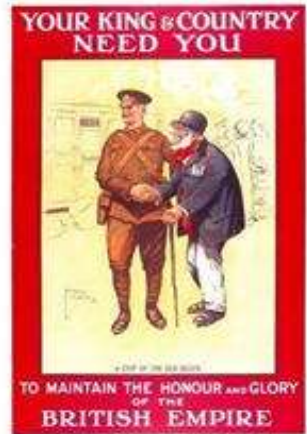

School Library : ❄️

Christmas is almost upon us but it is still important to remember that this year's Remembrance Sunday coincided with Armistice Day and the hundred year anniversary of the end of the First World War. Our Library display reminded everyone of the importance of wearing a poppy as a symbol of remembrance and hope. We also looked at how different countries observe their remembrance ceremonies.

In addition, pupils were encouraged to measure themselves against our height chart. Many boys were 5ft 3" and over and realised they would have been encouraged to join the 250,000 boys and young men under the age of 19 who enlisted to fight in 'The Great War'. It is estimated that fifty per cent of underage soldiers who fought on the front line were killed, taken prisoner, suffered from 'shell shock' or life changing injuries.

Thankfully, today, our children are free to enjoy school and of course, our School Library...

WELL DONE RAVENCLAW

Corbet Alumni

Staying connected with The Corbet School

Corbet school wants to keep in touch with students
after they leave school.

The Corbet School has been a big part of your life, but even once you have left, the school can still provide opportunities to learn new skills and maybe get the job you want. If you stay in touch perhaps you can coach one of the sports teams, help set up community events, hear about career opportunities or maybe help set up a school reunion.

Think about where you want to be in five years time and about the things you plan to do, would not it be great to come back and talk to Corbet students about all the amazing things **you have achieved. It will help them see what's possible and how they can achieve it too.**

So why not sign up to the Corbet's network today and we will keep you connected with the school after you leave. You will receive emails to keep you in the know.

You can keep in touch either by:

Follow the Corbet Alumni Facebook Page.

<https://www.facebook.com/TheCorbetSchoolAlumni>

Or email alumni@corbet.shropshire.sch.uk

If you are still unsure and would like more information, please pop in to see Miss Kear (Office situated in the Maths block).

Christmas Tree Competition

This year we entered the Christmas tree competition at All Saints Church, Baschurch. I was so pleased with our attempt. We were going for all department of the school to be represented on a bauble on the tree!

My favourites were Connor Durkin's WW1 soldier representing the centenary for the history department. Gracie Hunter's food based bauble and Lucy Goodall's Christingle for the RE department.

Thank you to all year 10s who made these baubles in their PSHE lessons.

Shropshire's Family Information Service

The Shropshire Family Information Service provides free information, advice and support on any aspect of family life to parents and carers of young people aged 0-19. This includes:

- Childcare
- Things to do and places to go
- Family Support
- Money Matters
- Behaviour
- Divorce and separation
- Housing
- Parenting
- Disabilities and special needs
- Domestic abuse.
- Healthy eating
- Staying safe

There are times in every parent's life when they feel they need some information or help to support them in their role as parents. Further information is available from:

www.shropshirefamily.co.uk

Sports Council

The Corbet School Sports Council are made up of students in Years 9 to 11 who have followed a Sports Leaders course in Year 8 and / or have regularly represented the school at sport; and some may have played sport at County Level or even higher.

They have an interest in contributing to the development of sport and extra - curricular activities at The Corbet and meet regularly once a week.

This term they have run an Inter House Badminton tournament during lunchtimes. They also run a badminton club for fellow students of all abilities in Years 7,8 & 9 on Tuesday lunch times.

During the school year they also help organise Charity Events and are hoping to organise a Colour Run again this year towards the end of the Spring term and continue the yearly Race for Life which the whole school are involved.

Year 8 Sport Leaders - Primary Schools Partnership

The start of the year has been very busy with Cross Country, Tag -rugby , High 5 Netball and Sportshall Athletics being held at The Corbet School for local feeder Primary schools.

The year 8 sports leaders have helped the events run smoothly and officiated the events. The winners of these events qualified for the North Shropshire qualifiers as part of the county school games.

The Cross Country league has been held over 4 weeks, with 8 Primary schools attending and over 130 runners at each event. Well done to the year 8 sports leaders who helped the event run very successfully despite the wintry conditions. They have carried out a variety of roles from marshalls to hares, to finish line officials and have shown fantastic support and encouragement to all runners.

In the Sports Hall Athletics, seven Primary Schools and over 100 boys and girls took part in running and field events. **Winners of the girls event was St. Andrew's Primary School, Nesscliffe and the winner of the boys event was St. John's Primary School, Ruyton.**

The Year 8 Sports leaders measured jumping and throwing events and recorded results accurately which helped in the smooth running of the event. Well done to all the Year 8 sports leaders who have shown excellent commitment and energy in helping to organise and run the events. Without the sports leaders, these events would not be so successful!

Sporting News & Results

Rugby

Year 10 V Haberdashers Adams

Corbet were drawn to play against Haberdashers Adams (was Adams Grammar School) in the second round of the Under 15s National competition. Unfortunately, Corbet had quite a few players unavailable and suffered some injuries during the match. In addition to this, Adams are always a difficult opposition to play against and this fixture was no different. They ran in some very well worked tries and defended extremely well. Despite this, the Corbet boys did themselves proud, tackling courageously and putting in maximum effort in attack, even managing to score twice against Adams. The final result was Corbet 12 - Haberdashers Adams 63.

Year 11 V Thomas Adams School

This was another friendly match, arranged to give the boys from both schools more experience and game time together. Thomas Adams played very well in patches, tackled some very strong running Corbet players bravely, and managed to score a try in each half of the game. However, Corbet took the experiences they had learned from the previous Ellesmere College game and performed extremely well throughout. **Corbet's discipline was fantastic**, and some excellent tries were scored. The final result was Corbet 53 - Thomas Adams 14.

Year 11 V Oswestry School - won 29-5

Year 10 County Cup - Corbet 43 - Abraham Darby 14

Year 8 Rugby - North Shropshire winners

Ski Race

Central England Snowsports Association (CESA) Schools Ski Race 2018
Telford Ski Centre

Friday 16th November 2018

On the evening of Friday 16th November 10 pupils from the Corbet School competed at the Central England Snow sports Association Ski Race in Telford.

The race consisted of 3 timed runs through the same slalom course, the total time for the fastest 2 runs will count for an individual.

Corbet entered three teams consisting of 3 or 4 skiers. The 3 skiers with the fastest aggregate times for 2 runs were added together to calculate the team score.

The event was well attended with over 100 competitors racing throughout the evening. The pupils all enjoyed themselves with some of them skiing on the artificial slope for the first time.

Anna Fairley who **ski's** as part of the Telford Ski team came 3rd in her age group, receiving a medal at the presentation which was held at the end of the evening. The U14 boys, consisting of Charlie Harris, George English and Sam Hughes won the team trophy and each received a medal. It was an enjoyable evening and we hope to return again next year.

If you are interested in ski racing then please visit the link below for information of more fun races which the club provide: www.skiteamtelford.co.uk

Emergency Arrangements

In the event of an unscheduled school closure

Each year we publish details of a programme which school will follow in the event of a sudden emergency, e.g. severe weather, burst pipes, fire etc. This year it will be as follows and we ask you to **PLEASE KEEP THIS SECTION IN A SAFE PLACE FOR FUTURE REFERENCE.**

We shall ask **BBC Radio Shropshire (96FM) and Free Radio (103.1FM)** to transmit details between 7am and 8am, and details should appear on the BBC Radio Shropshire website www.bbc.co.uk/shropshire

If the school is closing we shall send a **text message** alert to parents via the schools messaging system.

Parents can ring the Shropshire Council's **Snowline number 0345 6789073** or refer to school closures on their website shropshire.gov.uk/school-closures

If there is more widespread severe weather the Shropshire Council Authority will activate a **Helpline** for parents. (When operating, the Helpline number will be given out by the Radio Stations).

Otherwise, if parents are doubtful about the school opening, they should contact their nearest Parent Contact (below). The school will inform these contacts and they have kindly agreed to relay details.

Pupils travelling by school bus should wait at the usual place for 30 minutes after the usual pick-up time. If the bus does not arrive, return home. This is normal practice for every morning in case the bus is delayed.

ALL PARENTS/CARERS ARE ASKED TO MAKE ALTERNATIVE ARRANGEMENTS FOR THEIR CHILD IN CASE OF AN EMERGENCY AT SCHOOL DURING THE WORKING DAY. E.G. SUDDEN SEVERE SNOW, OR SOME OTHER EMERGENCY, WHICH MAY MAKE IT NECESSARY TO SEND CHILDREN HOME EARLY.

The following is a list of contacts if the school has to be closed in an emergency. The Head will contact the first person on the list and the chain will run as follows:-

Parents' "Snowball" List 2018-2019

Mrs Cooke	01939 260404	Burlton
Miss Wall	07989 974919	Kinnerley/Knockin
Mrs Jina	01691 610528	West Felton
Mrs Hadwick	07513 911516	Melverley
Ms Rowlands	07973 188719	Montford Bridge/Bicton
Mrs Johnson	07725 057929	Shrewsbury
Mrs Blenkinsop	01939 290184	Myddle/Harmer Hill
Mrs Mason	01939 290468	Bomere Heath
Miss Hurdley	07968 173974	Nesscliffe
Mrs Harrower	07801 630082	Ruyton-XI-Towns
Mrs Benson	01939 260980	Weston Lullingfields/Stanwardine
Mrs Teckoe	01939 261159	Baschurch

Parents are advised to tune into the following radio stations:-

BBC Radio Shropshire (96FM) Free Radio Shropshire (103.1FM)

Please can parents ensure the school has their current contact details, preferably a mobile number (for TEXTS), in case of emergency.

A copy of the above Emergency Arrangements will be available on the school website www.corbetschool.net
