“County Training were always on hand to help me complete my apprenticeship, and I am happy to say that I now work for Fix Auto full-time.” Lauren (former apprentice)

Register to apply

In order to apply for an apprenticeship, you will first need to register with the Government Find an Apprenticeship website.

- Visit www.findapprenticeship.service.gov.uk
- Register to apply by entering all of your details (name, date of birth, contact details). You can now apply for vacancies.
- Follow us on social media to keep up to date with new vacancies.

View County Training Vacancies

To view our vacancies, you will need to visit www.ctapprenticeships.co.uk. Click on 'Apprenticeship vacancies', or click on a subject area to see vacancies only within a particular area. You can also use the 'filter by region' function to only look at vacancies in your geographic location.

County Training is proud to work with Shropshire Council, Telford and Wrekin Council and Shropshire Community Health NHS Trust

Express your interest

Want some help and assistance to find an apprenticeship? Please visit the website and submit a general application, by clicking 'Apply' (top right corner) and selecting 'need to find placement'. Not ready for an apprenticeship and want to gain some work experience and to upskill in maths and English? Fill in the same application form, but select '16-18 Advance course.'
