- **Moreton Hall – Your Future Choices 3<sup>rd</sup> July at 9.30am (Year 10 and Year 11)**

Moreton Hall Careers Team will be hosting a virtual event for students at The Corbet School offering impartial advice on:

- choosing the right A levels
- specialist subject requirements
- university applications other
- post-A level options.

The focus is on students who are thinking or planning to study at A Level, and therefore vocational courses and level 2/3 apprenticeships will not be covered. Whilst the main focus is Year 10 and

choosing A Levels, Year 11 students might also find the event beneficial to consider their course choices and university applications. Mrs Smith will also be attending this event.

This is an excellent opportunity for students to learn more about choosing their A Levels and we hope to have some students who are currently studying A Levels available discuss their experiences. Please note that whilst this is delivered by Moreton Hall, the focus will not be on Moreton Hall as a place to study. If you would like to take part, please email Mrs Smith by 4.00pm on Tuesday 30<sup>th</sup> June.

## YEAR 11 STUDENTS

### **Students who haven't applied**

We are still accepting applications, this can be done on our [online application form](#). All interviews will now be conducted via telephone by our lecturing staff - these phone numbers will show up as withheld numbers, if you could let your students know we would be grateful. As always, places will be offered based on predicted grades until final grades are received. Please reassure students that this has always been the case, if predicted grades and actual grades differ they just need to contact us and we will look at their options, this may just involve changing the level of their course.

### **Students who have already applied and been offered a place**

Students can now apply for accommodation or transport if applicable. They just need to visit the following webpages to do this. They will need their student ID no, which they can find on their offer letter.

### **Applicant Visit Days/Taster Sessions**

As we are currently unable to welcome prospective students into college we have launched our [applicants hub](#). This is a central place where students can access information about starting college and preparation for life as a Reaseheath student. The hub has some generic information regarding transport, student support etc. then there are links to the individual departments where they can find useful information such as kit lists, recommended reading, quizzes and research tasks. The hub will evolve and grow with more information uploaded throughout the coming months.
