DR J TINKER HEADTEACHER

What a school year – I can't believe that we are at the end of term. In the 26 years that I have been teaching this is certainly the strangest one I have ever experienced. I hope that you will enjoy reading about lots of the positives that have come out of lockdown and this is very much what this newsletter is about. Dylan's symbol of hope brings together lots of the images of the times, the rainbow for the NHS and the fact that nature has had the chance to recover, breathe and be photographed and a big thank you to all of the pupils who took part in the photography competition. I know that the teachers have been very pleased with lots of the work that pupils have been submitting and there are some lovely examples inside. Many pupils have been fundraising and a thank you to Jack and a well done for the money he has raised to support the development of a vaccine. I'm glad to see that many pupils have focused on their wellbeing with lots of running, singing, baking, time in the garden and with pets. I'm sure that many families have also enjoyed spending some time together.

I feel very sad that I haven't been able to award the Sporting Colours and the awards to Alex and Lydia in the big finale to the year, our whole school assembly – it will have to be virtual applause which isn't quite the same! Hopefully, we will be able to give out these awards in person in the Autumn Term.

I would like to draw the attention of parents to the school dinner prices with £2.50 meal deals and that there will be no breaktime service. If pupils could bring the correct money or buy a weekly pre-paid dinner card that would be very helpful.

I'd love it if as many families as possible could contribute to the 2020 quilt, as a way to record this time which will be a history lesson of the future.

Finally, I would like to say a genuine thank you to everyone in The Corbet School community; pupils, staff, parents, governors and the wider community for working together to get through this phase and to wish all a lovely summer.

Best wishes,

Dr Tinker
Headteacher
The Corbet School

HELEN SCARISBRICK

CHAIR OF GOVERNORS

Since lockdown began at the end of March all our lives have changed in ways never conceived before. Governors would like to congratulate Dr Tinker and her staff for the way they have managed this situation; always with safety their priority, whilst endeavouring to maintain the wellbeing of staff and of our pupils whilst learning at home.

Sadly this has not been the usual end of five years at the Corbet for Year 11. To have their important final year end so abruptly has been hard. The governors hope that they will eventually be able to meet together again and enjoy a proper send off. In the meantime our best wishes go to Year 11 as they move on to new challenges.

Our sincere thanks go to Mrs Gerrard, one of our staff governors whose term of office has come to an end. Mrs Gerrard has been a diligent member of the Governing Body, always willing to contribute, challenge and support. We shall miss her pragmatic viewpoint and wish her every success in the future. We are also sorry to lose a community governor, due to work pressures Nick Storey has had to stand down. Nick has been a valued member of the governing body and we shall miss his direct and steadfast approach, we wish Nick success as he takes on extra responsibility in his job.

Thanks should also go to school families for the support given to our youngsters and indeed the school during this emergency. Times are difficult for all, even some of the governors have had to wrestle with new skills and take on virtual meetings!

This has been Dr Tinker's first year in charge at The Corbet. Taking on a headship is a challenge in itself, but she could never have envisaged the year ahead. Dr Tinker has led the school admirably through the beginnings of what will continue to be very difficult circumstances; always meeting the challenges full on and demonstrating true leadership. We are fortunate to have her at the helm and send a very big thank you!

The Governors wish all staff, pupils and families a very happy and above all healthy summer break.

Helen Scarisbrick

WHAT HAVE YOU DONE IN LOCKDOWN?

Dylan Reece

My symbol of hope and support - Dylan Reece

I chose this pointed star to symbolise love now and for the future. The big outer circle symbolises protection for everyone. I used the 7 colours of the rainbow all around the star to symbolise how much I appreciate how much work the NHS is doing to keep us safe. I chose green on the outer star to represent the earth which is thriving without anyone polluting it in lockdown. I used yellow on the inner star to represent the sun which continues to glow which we need to do too. The light blue in the centre is for the sky which is clear from pollution and aircraft. The sky is still blue and will always be blue which shows us never to give up, things will be good again. The dove in the centre represents peace with the earth and life with hope even when things are difficult.

Alex has been busy baking and celebrating his birthday during lockdown. We hope you had a very Happy Birthday Alex.

Lily has been riding her new bike, spending time with Ivy and Dolly and has also planted a memory garden for her horse Sally.

SCIENCE

In Science we have been really impressed by the students' work during lockdown. There are too many students to mention who have completed every task to a very high standard, but we wanted to share some of the fantastic work our students have submitted over the last few weeks. These are by Dylan, Peter and Theo in year 7, Erin, Amelie, and Charlie year 8, Lily in year 9. A huge well done on the amazing work to all of you.

| Method of reducing CO ₂ footprint | Strategic gas to reduce | How the gas is reduced |
|--|-----------------------------------|--|
| Carbon footprint | | |
| Changing more to less on polluting vehicles | Carbon Dioxide (CO ₂) | Many vehicles contribute to the rising CO ₂ levels in our atmosphere. If people reduce their vehicle usage, carbon dioxide emission will be lowered, adding more to only vehicles will <i>decrease</i> people from using their vehicles, as they could be avoiding |
| Using biomass (plant products burnt as fuel) | Carbon Dioxide (CO ₂) | When burnt, these fuels produce large amounts of CO ₂ , CH ₄ , and H ₂ O, whereas biomass does not produce pollutants. It is replace fossil fuels with biomass, these gases will be reduced. |
| Capturing CO ₂ produced in power stations and storing it in rocks | Carbon Dioxide (CO ₂) | The three main sources of CO ₂ gas combustion, power generation and synthetic reduce the amount of CO ₂ in our atmosphere by securely storing the liquid form of the gas released from power stations (one of the major sources of CO ₂) in rocks. |

Though this is better than TLE, it's still in the atmosphere. There are alternatives:

3. Expected earnings—can most of the 17% increase in Earnings be paid back such as greater capital spending and higher debt? Is management's view consistent with the technology, financing, and incentives can continue to drive past trends during a public offering of only diluting the shareholders.
4. Expected contribution of the new debt to generating the 17% are you already achieving increases of the entire present 17%. The price to earnings of the company and question that whether value creation can only come if the debt pay a return greater than the company's current 17% increases over the period.

A huge well done to Jack for completing his pledge to swim, bike & run 15km per day for 20 days (300km!). Jack has help raise a massive £3,276.59 for urgent COVID-19 research, which is being carried out by the team at Oxford university responsible for the development of a vaccine. Jack's pledge has been a personal challenge but his determination to complete it has truly paid off.

"I would like to say a huge thank you to everyone who supported me during the challenge. I set out with a target of £200 and I have been overwhelmed with the kind and generous donations I have received, I could not have achieved any of it without your support. I hope our contribution will help the Covid-19 research projects in Oxford so we can all return to our normal lives and begin to feel safe again. Thank you, Jack. "

WHAT GOT ME THROUGH LOCKDOWN?

The Corbet teachers were asked what got them through lockdown, below are the answers from the teachers anonymously.

The year 10 pupils who have been in school were also asked the same question when they first came back. The answers were very similar; exercise, outside time, pets, routine and family/friends featuring highly on both. The idea is that the pupils can look back on this as a resilience “ toolkit” when they faced with challenges in the future.

Many thanks to all those who took part.

YEAR 11

WILDLIFE COMPETITION

I have always run a Wildlife Competition in the summer term for Year 7. With the country in lockdown and the sunniest Spring ever I decided to open it to all years, the response was amazing with over 150 entries from 56 pupils.

The entries show what a beautiful county Shropshire is, and what talented photographers our pupils are. Choosing the winners was a difficult but very enjoyable task. Shropshire Wildlife trust have donated some prizes which will be distributed when we are all back in school.

The winners are:

Invertebrate: Winner Ella Arrowsmith, Runners up Bethany Westwood and Poppy Darlow

Bird: Winner Daisy Whittaker, Runners up Maddie Rowlands, Sophie Weir

Tree: Winner Jack Ninnis, Runner up Ember Cox-Roberts

Other: Winner Grace Greening, Runner up Maisy-Rose Lanyon

Mrs Frank

The music department is delighted to report that Millie has managed to convert her cancelled Grade 6 Musical Theatre Singing exam to a Recorded Exam during lockdown. Millie has been continuing her singing lessons with Mrs Le Boutillier on Zoom while she's been at home. She had to prepare four songs from different musical eras and perform them in costume. Her favourite song was "She used to be mine" from *Waitress* and her favourite costume was the Pink Ladies jacket she wore to perform "There are worse things I could do" from *Grease*. She did a great job and her hard work was rewarded with a Distinction.

Congratulations Millie!

THE BRITISH MILERS CLUB (BMC) VIRTUAL TIME TRIAL RACE SERIES

The first time trial was 1km and competed remotely at the end of May Raising money for the Ron Pickering Memorial Fund.

Beth finished 3rd in the U13 girls category With a time of 3.05.

The second time trail was over a distance of 3km. Athletes competed remotely from June 18-21, raising money for the charity MIND. Beth finished first in the U13 girls category with a time of 10.37.

She has also just been offered her second season contract with West Bromwich Albion U14 girls football team.

SEPTEMBER

Previous uniform, jewellery and make-up rules will apply and I would like to remind all that this means no piercings; anyone who is having a piercing will need to have it done early enough in the summer so that they can be safely removed in September.

Please see below an equipment list; pupils must have their own equipment as we must reduce the equipment that is shared between them. All pupils will be issued with a mini-whiteboard, pen and rubber in a plastic wallet for use in their lessons.

Equipment list:

| | |
|--------------|-------------------------|
| * Pen | * Compass |
| * Pencil | * Scientific calculator |
| * Rubber | * Colouring pencils |
| * 30cm ruler | * Red pen |
| * Glue | * Green pen |
| * Scissors | * Highlighter pen |
| * Sharpener | * Reading book |
| * Protractor | * Tissues |

Pupils over the age of 11 should wear face coverings whilst using school transport (bus/taxi), please remember this is mandatory when using public transport. Once off school transport please remove your face covering correctly and place it into a sealable plastic bag for the duration of the school day.

Please use the link below for guidance from government on how to wear a face covering, this also includes a step by step guide on how to make your own face covering.

<https://www.gov.uk/government/publications/how-to-wear-and-make-a-cloth-face-covering/how-to-wear-and-make-a-cloth-face-covering>

There are also multiple hand washing/hand sanitising stations around school and transport operators will aim to provide hand sanitiser but if it is possible, please send pupils to school with their own hand sanitiser and tissues to follow the catch it, bin it, kill it guidance.

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

Sports Stars

Pentathlon Challenge

The PE department hosted a virtual Sports day this year with pupils participating in a sports stars pentathlon Challenge. This consisted of 5 events; Press-ups, Squat thrusts, star jumps, standing board jump and the 12 minute cooper run. All participating pupils received a certificate with results on. Well done to all that took part and congratulations to the winners of each event.

Those who know me, know that my retirement plan is to become a 'proper' artist!!! In recent years I have moved away from illustration and portraits, towards more 'tactile' art (clay and textiles). I am still trying to find a commercial niche where any profit is not eaten up by the cost the materials and my 'hourly rate'. Lockdown has given me the opportunity to experiment (see below). I've also rejuvenated towels and pillow cases with tie and dye and I am currently working on my piece for Mrs Goodridge's 2020

Quilt.

Obviously (!) I've also read books (40 ish) and I have been able to use Lockdown time to develop our **Library newsletter, 'Bring. On. The. Books.'** to reach out to our Library community. You can find the January to June editions on our school website **Pupils > Other > Library.** If you would like to showcase your artwork, talk about books or participate in our **Summer Reading Challenge**, please email me at **jackie.brett@corbetschool.net.**

On return to school you will find we have lots of new books for you to read and we are launching our new **'click and collect service'** so that you will still have access to books if our Library is closed.

Have a great Summer; I am so looking forward to seeing our Library family again and celebrating our reunion with (lots of) cake!!!

Mrs Brett - Library Co-Ordinator

Poem by McKenzie - Year 7

Roses are red

Violets are blue

What has the pandemic meant for you?

I have spent time on my bike, doing things that I like,

But I missed my friend Zac, I can't wait 'til he's back.

I can't wait for the harvest, because I'll see Jarvis

I would like to go to France, but I don't think we'll have chance.

When we come back in September, how much will we remember?

SPORTING NEWS

SAUCONY ENGLISH NATIONAL XC CHAMPIONSHIPS 2020

Beth completed the U15 Saucony English National XC Championships 2020. It was a 2 mile tough, muddy course on 22nd February 2020 at Wollaton Park, Notts. The race had a Field of 358 runners and Beth finished 8th. Well done Beth.

COUNTY SHOOTING SENIOR PISTOL, RIFLE AND AGGREGATE COMPETITION.

Congratulations to Bethany Year 9 on winning the County Shooting senior Pistol, rifle and aggregate competitions. She was also part of the district team of the top 4 shooters in the district who came second (silver medal). Well done Bethany.

SHROPSHIRE SPORTS HALL CHAMPIONSHIPS

On Saturday the 7th March Lexie competed at the Shropshire Sports Hall Championships, she competed in the 2 lap race and the standing long jump she came third in both events and won bronze. Well done Lexie.

OSWESTRY MUSIC FESTIVAL

Well done to those who participated in the Oswestry music festival this year.

SPORTING COLOURS

The awarding of sports colours is one way in which the PE department feel that we can recognise and reward individual pupils for the commitment and excellent sporting performances that they produce during the year whilst representing the school.

Our school sporting year was cut short this year due to COVID-19 so we are only awarding colours from our Winter activities.

Pupils are able to earn colours for a particular sport during Year 7 & 8 and again during Year 9 & 10. Congratulations to those pupils who receive an award. **Colours will be presented to pupils in September**

Sportswomen and Sportsman of the year.

This is awarded to pupils in Year 10 for their outstanding achievements and commitment to school sport from year 7 through to year 10.

Over the years, both pupils have shown a great attitude towards extra-curricular sport, represented the school in many sports, and have played their sports at a consistently high standard for a number of years.

Sportswoman of the year goes to: **Lydia Inns**

Sportsman of the year goes to: **Alex Ladenegan**

2020 Quilt Challenge

For all students, parents and staff.

I challenge you to make a small piece of decorative textiles which I will sew together when we are back at school, to make a large quilt for display. The theme is 2020.

The decorative piece will need to be 18cm x 18cm. Please cut the fabric 20cms x 20cms so I have a 1cm seam allowance all the way around to sew it together.

- Use woven cotton or polyester cotton fabric for the background but other fabrics can be sewn on top.
- Any colours, patterns.
- It can be decorated in any way you want - patchwork, embroidered, painted, dyed, embellished with beads, buttons, ribbons etc
- machine sewn, hand sewn, (strong glue if necessary)
- It can be based on anything that is relevant to 2020 and important to you, a person, place, occasion, NHS, a loved one etc.
- It can be an image of something or a pattern
- You don't have to be a brilliant sewer - just willing to have a go.
- Lots of ideas on the internet, Pinterest etc
- Sheet, duvet, pillow case fabric, old shirt, plain tea towel are all suitable as the background fabric if you do not have any other fabric at hand

It must be 20 x 20 cms with the actual decorated part being 18 x 18 cms.

I recommend drawing an 18cm square on your fabric so you know how much to decorate.

Hand it in when we are back at school.

Please take part and be as creative as you can,

Mrs Goodridge

PS. Make sure you attach your name and Tutor Group to the back.

Returning to School

Following the significant disruption in education due to Covid 19, school attendance will again be compulsory from September 2020.

We are aware this may raise some anxieties or questions - therefore we have implemented a support service for parents, carers and pupils to try to ensure a successful return to school.

Support will be available from:

17th August until 2nd September 2020

Monday to Friday 9am—5pm

CORBET ALUMNI

STAYING CONNECTED WITH THE CORBET SCHOOL

CORBET SCHOOL WANTS TO KEEP IN TOUCH WITH STUDENTS AFTER THEY LEAVE SCHOOL.

The Corbet School has been a big part of your life, but even once you have left, the school can still provide opportunities to learn new skills and maybe get the job you want. If you stay in touch perhaps you can coach one of the sports teams, help set up community events, hear about career opportunities or maybe help set up a school reunion.

Think about where you want to be in five years time and about the things you plan to do, would not it be great to come back and talk to Corbet students about all the amazing things you have achieved.

It will help them see what's possible and how they can achieve it too.

So why not sign up to the Corbet's network today and we will keep you connected with the school after you leave. You will receive emails to keep you in the know.

Follow the Corbet Alumni Facebook Page.

We know how important and exciting it is to be choosing your new uniform when starting at school, and we are here to help.

Due to COVID-19 we want to help everyone to access their new uniform in a safe and controlled way. For Summer 2020 we will be making a few changes and additions to how we serve our customers.

ONLINE – The online shop is fully open – We strongly advise buying online this summer. Orders can be delivered directly to your address. In addition, we will be offering a collect from store service. This will show as available on our website once government guidance allows.

To aid social distancing, collect from store orders will only be available for collection once you have been contacted to say your order is ready, on arrival you will see a collection point.

Please allow up to 7 days for collect from store – as we need to manage the number of people arriving to maintain distancing.

Last date for Online orders for back to school - Friday 14th August 2020.

SHOP – The shop will be open as normal; we are awaiting government guidance on the exact date for re-opening. But to maintain distancing, fewer customers will be able to be in the shop at one time. We STRONGLY advise that this year customers shop as early as possible.

Please see our website for up to date opening details.

APPOINTMENTS – For pupils starting a new school we will be offering appointments, on Sundays, from Sunday 19th July, again subject to government guidance, to allow more time to try items on etc. We do recommend booking this as soon as possible as it is likely to be a popular option.

We thank you for your help with planning uniform early this summer, so that we can offer everyone a safe environment.
