

Shrewsbury School

Futures and Universities Events

DARWIN
Michaelmas Term 2020

The Shrewsbury School Futures and Universities events will be held online this term, mainly using Zoom. The university presentations will be conducted by Admissions or Academic staff from the relevant faculties, usually with a current student. They will begin at 2pm and should be completed by 3pm.

They will often be complemented by discussions with Old Salopians who studied that subject at university about career opportunities. These will take place in the evening at 7.30pm and should be completed by 8.30pm.

All events may change at short notice: any will be relayed via the school's website and Twitter Feed @shrewsfutures.

To sign up for any of these events, please contact Karen Scimia at kascimia@shrewsbury.org.uk or on 01743 280556. Schools and colleges can register multiple students centrally or advise them to do so individually. The deadline for signing up will be one week before the event.

September

Future Dates for your Diary – all events to be confirmed:

Friday 12th February 2021 1.15pm-4.00pm Universities and Gap Year Fair (Alington Hall & Barnes Theatre)

Possibly the largest school/college Universities Fair in the region: speak to admissions staff from over 60 UK universities and Gap Year providers. This year, we also hope to include companies offering degree apprenticeships and alternative routes.

June 2021 (exact date TBC) US and Canadian Universities Conference

Our fourth biennial conference will offer an excellent introduction to applying to American and Canadian universities, with experts discussing how to pick colleges, the SAT vs the ACT, scholarships and the like. Perfect for students, parents and teachers.
