Dear Parents / Guardians

## **Re: Winter Financial Support - Free School Meal Vouchers**

Many people's financial circumstances have changed due to the pandemic and a lot of people won't realise they are now entitled to claim support that they weren't entitled to before.

You may be eligible for free school meals, which if claimed quickly will also entitle you to vouchers over the winter holiday period.

It takes a few minutes to check your eligibility and apply for this extra support. To do this please click on the following link. <https://www.shropshire.gov.uk/free-school-meals/>

If you apply by Thursday 10<sup>th</sup> December, and your application is confirmed, you will receive a winter voucher worth £30 per child to help you over the two school week holidays.

This voucher will be valid at a range of local supermarkets

If you are already registered for free school meals, you will automatically receive the winter voucher which will be sent to the priority email registered with school.

If you are notified that your application has been confirmed it would be helpful if you would also email [julia.kear@corbetschool.net](mailto:julia.kear@corbetschool.net) so that we know to expect your confirmation from the local authority.

Yours faithfully
