THE CORBET SCHOOL

CHARGING AND REMISSIONS POLICY

The Corbet School retains a Charging and Remission policy to clarify arrangements specific to the school charges for activities and use of facilities. The policy will be reviewed regularly, and will be updated in line with current legislation.

A. CHARGING POLICY

1. NO CHARGES WILL BE MADE FOR: -

- (i) The general delivery of the National Curriculum, including the provision of text books, exercise books, equipment & instruments as required. School owned text books will be maintained as 'clean copies' which will enable them to be used by several pupils. Pupils may purchase their own copy of a text book which they can then mark with their own notes and comments. This can be done via the school to help reduce the cost.
- (ii) Parents will be encouraged to provide their children with the basic items of pencils, pen, ruler and rubber for the child's convenience, but this will be on a voluntary basis.
- (iii) Entry for prescribed public examinations following a teaching programme within the school.

2. PARENTS WILL BE EXPECTED TO PAY FOR:-

- (i) Board and lodging costs whether or not the activity is deemed to have taken place in 'school hours'.
- (ii) Clothing and footwear requested for Physical Education lessons and protective clothing needed for practical subjects. Aprons for Design & Technology, and Art can be purchased from school.
- (iii) Transport from home to work, for students involved in work experience placements.

- (iv) Pupils are encouraged to bring items such as ingredients and / or textiles into school to undertake practical sessions. Where items are difficult or impractical to obtain individually, school will buy these in bulk and make them available at cost price.
- (v) The replacement cost of books, equipment, fixtures and fittings and property belonging to the school (or other individuals), where loss/damage has been caused through negligence on the part of their son/daughter.
- (vi) Costs of examination entries wasted as a result of (a) a pupil failing to meet all the requirements of the syllabus (e.g. coursework), or (b) non-attendance at any part of the examination without good reason.

N.B. Parents will be asked to sign an acknowledgement regarding all the public examinations for which their child has been entered, before entry.

- (vii) Re-checks of external examination results requested by parents.

Since the Governing Body is keen to encourage teachers to initiate appropriate activities which will motivate and widen the interests of our pupils, it urges parents to support these 'optional extras' through voluntary contributions.

While these 'optional extras' are not essential for a child's education, it is felt that the additional stimulus to learning which they provide is of very great value.
