# THE CORBET SCHOOL

*Headteacher Dr Jane Tinker BSc MA(Ed) EdD NPQH*

Dear Parent / Carer

Hope House have recently launched a campaign – Final Moments Matter – whereby they will be attempting to raise £500,000 in 36 hours. Hope House are trying to raise £250,000 between **10am Sunday morning and 10pm Monday night**, this will then be match funded.

One of our students, who has a close association with Hope House, has asked me whether we can do anything as a school to help support this as she found their support invaluable following the loss of her brother. We have some thoughts around Monday lunch time of a variety of activities which we could put on i.e.

- Just Dance in the Sports Hall
- Table tennis competition
- Film club
- Board game tournament
- Big smiley face on the playground fill it with coins (all those coppers lying around)
- Chocolate raffle

How can you help?

- We hope that the students will support these activities and would kindly ask if you would be happy to send them with a little **spare change** on Monday
- You can also donate directly on the link below:  
<https://www.charityextra.com/finalmomentsmatter/corbet>
- Tune in to the '**Big Night In**' on Sunday evening and bidding on the online auction:  
<https://www.hopehouse.org.uk/Event/bignight>
- **chocolate raffle prize donations** would also be really welcome.

If you would like any more information, please find the link to their website: <https://www.hopehouse.org.uk/fmm>

Thank you for everything you do towards these invaluable charity fundraisers, as this is match funded anything we can do to help would be wonderful and have a huge impact.

Kind regards

*Jane Tinker.*
