Getting Started – Create a My Telford Account

To start using the Work Experience Database you must first create a My Telford Account. You can do this by clicking [here](#).

Further information on My Telford and how to create an account can be found [here](#).

Getting Started – Create a Student Work Experience Account

Using the My Telford Account, you will need to request access to the Work experience database, to do this please click [here](#)

The screenshot shows the 'Work Experience Portal' page. At the top is a red navigation bar with links: 'A to Z', 'My Telford', 'Contact', 'Latest news', and a 'Search' box. Below the navigation bar is the 'my Telford' logo and a 'Work Experience' section with a 'Logout' button. The main content area is titled 'Work Experience Portal' and includes a welcome message: 'Harry, welcome to the Telford and Wrekin Work Experience portal. Please select your school and if you need a teacher or student account.' There are two dropdown menus: 'Select school' and 'Are you a Student or Teacher?'. Both dropdowns currently show '<Select>'. Below these is a 'Check your information' section with the text 'Are the details you have entered correct?' and a button labeled 'Details are Correct'. Three arrows point from text annotations on the right to the form elements: one to the 'Select school' dropdown, one to the 'Are you a Student or Teacher?' dropdown, and one to the 'Details are Correct' button.

Simply select your school from the Dropdown menu

Select the Student Option

Check and click to confirm your details are correct

Once sent, your teacher will receive your request and grant you access to the database. You will receive an email to confirm this and will be able to log on.

Please remember you must not share your Login details with anyone.

Getting Started – Your Work Experience Journey

Once you have been granted access to the Database, the following Work Experience Headings will appear on the Database. This is your **Work Experience Homepage**.

In this section you will be able to view Employer details to assist you with your work experience search and see your work experience journey.

Potential Placements – these are the placements you have noted as maybe thinking about applying for

Pending Placements – these are your work experience placements you have sent to your teacher for approval

Declined Placements – These are your placements that have not been approved and the reasons why

Approved Placements – These are the placements that have been approved for you to go on work experience

Advise - Searching For Your Placement

When searching for your placement take into consideration what you enjoy doing. Think about what hobbies you have, or a career you are really interested in, and would really like to get some experience in.

Your placement can help you decide if a career you are interested in is actually for you, or if it is something different than you expected. Getting hands on work experience is a great introduction into the world of work.

Search for Work Experience

If you know the Business Name of the work experience placement you want to request simply select 'Business Name' from the list below.

If you are unsure where to request, you can narrow down your search by selecting Address, which will filter your search by Town, County or partial Post-Code.

Alternatively you can filter by the type of job you would like by selecting Placement or Business

Select from the options below.

How to Search For Your Placement – Search Options

You are now able to start your Employer search, and can do this in a number of ways:

- By searching for a **‘Business Name’** – If you know the name of the business, simply select 'Business Name' in the dropdown menu
- By searching for the business **‘Address’** – If you know what area you would like to do your work experience in, you are able to filter your search and bring up employer details by their Town, County or Post Code area
- By searching for a **‘Type of placement’** – If you know what type of work you want to do, you are able to search by category e.g. Admin, Hairdressing, Mechanics.
- By searching for both the **‘Type of Placement and Address’** - if you know exactly what type of work you want to do and what area, you are able to filter both the placement category and address

The screenshot shows the 'myTelford' website interface. At the top, there's a navigation bar with links: 'A to Z', 'My Telford', 'Contact', 'Latest news', and a 'Search' button. Below this, the 'myTelford' logo is visible. The main heading is 'Work Experience'. Underneath, there are three links: 'Search For Placements', 'My Placements', and 'Logout'. The 'Search For Placements' link is highlighted. The content area is titled 'Harry2 - Aldersley High School'. It contains instructions on how to search for work experience placements, mentioning 'Business Name', 'Address', and 'Type of Placement'. A dropdown menu is open, showing the following options: 'Please Select', 'Business Name', 'Address', 'Type of Placement', and 'Type of Placement and Address'. The footer includes social media links for Facebook, Twitter, Flickr, and Youtube, along with links for 'Accessibility', 'Cookies', 'Privacy', 'Site map', and 'RSS'.

Add to My Potential Placements

If you have found some employers that you are interested in doing your work experience at, you are able to add these into your Potential Placements to review later on.

Select a Placement Category that you would like to be working in, e.g. Business Admin, and add these businesses in your **“Add to my Potential Placements”** section.

You will be able to view these businesses from your **“My Placements”** tab on your Homepage.

Remember to always add notes of who you have contacted, how you have contacted them and any other information your teacher needs to know. This helps keep track of your contact history with the business as well as allowing your teacher to see your regular updates.

Once you have selected “View” on the business in your “Potential Placements” this page will appear.

Here you can add notes for your teacher.

If the placement category is confirmed to be different by the business than what you originally picked, select the correct one from the drop down menu.

Once you have done this, go to the drop down menu and select “Request Approval” and then “Update”.

Be sure to keep an eye on your potential placements as sometimes the teacher may request more information, this moves the business back into “Potential Placements”.

The notes the teacher may attach can be found under “Notes History”. This means you will have to respond to the teacher and request approval again.
