THE CORBET SCHOOL

Headteacher Dr Jane Tinker BSc MA(Ed) EdD NPQH

Dear Parent / Guardian

Following a week of reducing new Covid cases throughout last week, today (Monday) has been our highest daily level with 16 pupils either testing positive or having symptoms that require a PCR test.

This is a very concerning statistic, which we will monitor closely and may well increase our control measures if high positive cases continue.

If your child shows any Covid symptoms, please take them for a PCR test and isolate whilst waiting for the test result.

In view of the increased number of cases we strongly recommend that face coverings are worn when moving around the school buildings, and we would be grateful if you would encourage your children to follow this approach.

Ultimately the wearing of face coverings remains a personal choice and we will continue to respect this choice and any medical exceptions that apply to some individuals.

Increasing our vigilance now, may prevent us having to employ additional control measures later this week.

Thank you for your continued support.

Yours sincerely

Dr Jane Tinker
Headteacher
