

10th May 2023

THE CORBET SCHOOL

Headteacher Dr Jane Tinker BSc MA(Ed) EdD NPQH

Dear Parents/Carers,

I am writing to let you know just how successful our PSHEE Focus Day was on Thursday 4th May. I am delighted to report that all students demonstrated exceptional behaviour throughout the day and engaged well with all the materials used during the activities. We received some outstanding feedback from our visiting speakers, which is a testament to the positive attitudes and commitment of our students.

Our Road Safety Advisor remarked,

'The students - they are a credit to you all: their individual characteristics made my time spent with you shine.'

The topics for the day were Resilience, Road Safety, RSE – Consent, Vaping, Unifrog Careers Education Platform and finally PC Jason Fenn from West Mercia Constabulary. We are grateful to our visitors and thank them for their contributions towards a successful day.

At The Corbet School, we value the feedback of our entire community as it helps us shape our curriculum to ensure we continue to provide the best education for our students. If you have any comments or suggestions regarding the PSHEE Focus Day I would be delighted to hear from you. Please contact me at corbetpshe@corbetschool.net.

Our students have also been given the opportunity to provide their own feedback on the day's events via Satchel and we encourage them to do so.

Finally, I would like to inform you that there will be further focus days later in the term. Details of which will be forwarded to you accordingly.

Thank you as always for your continued support.

Yours sincerely,

Mr A M Womble,
PSHE and Careers Education Lead
