Newsletter Feedback

As well as producing a PACC monthly newsletter, PACC also coproduce the [Shropshire SEND Newsletter](#) with Shropshire Council and the local health Integrated Care Partnership to provide information about events, activities and support services to the Shropshire SEND Community.

We are currently collecting feedback on this newsletter so we can ensure that it is helpful and providing the information that you need.

Shropshire Libraries

Did you know Shropshire Libraries are Autism Friendly spaces?

Staff have undertaken autism awareness training and they have developed a social story for each branch to support the library journey for autistic people.

Local Offer Feedback

The Shropshire SEND local offer sets out the local support available for children and young people with special educational needs or disabilities (SEND), and how to access it. We provide information on our website, on social media and in our family information directory.

This is where you come in.

Have you used the SEND local offer? What do you think? Are there any gaps in the information?

Your feedback only takes a few minutes but makes a big difference so thank you!

HAF Summer Programme

Your child (4-16 years old) can get a FREE place:

- ★ If you get benefits-related free school meals
- ★ Are a Ukrainian guest staying in Shropshire
- ★ Have been referred by a professional

The majority of providers are able to offer places to children with special educational needs or disabilities (SEND).

A lot of the providers also offer additional paid places that are available to everyone, so it's worth taking a look if you need childcare or activities to keep your children busy during the holidays.

The young people at Identity never cease to amaze us! Every single one of them shone. They supported each other, celebrated together, and congratulated each other on their achievements. Watching this performance showed the magic and power of inclusion.

Everyone who came to see the performance felt the same- a rollercoaster of tears, pride, laughter, and absolute joy!

Identity School of Dance are offering free trials for any of the classes for the next week on Tuesday 4th & Thursday 6th July!

This is a great way to meet the staff, students and take part in a class you feel could be suited to your young adult or child!

Discototz

Discototz is a childrens party class with a difference! it is jam packed with props, bubbles, puppets, games, singing, makaton, learning, props, sensory lighting, dancing, fun exercise for children AND adults, and much much more! Rachael is passionate about inclusion and would like to do a special summer holidays disco party event just for SEND children (aged 1-7) and their families, with the view of going forward to doing weekly classes from September.

Rachael is a qualified exercise to music instructor with a background in SEND, is Makaton trained and is also a parent carer. If you are interested in SEND sessions, there is a short survey where you can also sign up to be kept updated on future sessions.

SiD's Midsummer Dance Celebration

"SiD's Midsummer Dance Celebration was an incredible event! The dancers performed to a packed house and the amazing audience were entranced by the performances. The performances by SiD's dance groups were full of life, energy and artistry.

The evening culminated with an incredible performance of Here There Everywhere.

There are so many people to thank, the audience for supporting and witnessing the show, all the dancers, SiD's dance artists who worked so hard to support and create these works, Cal Barre who created a beautifully lit stage and operated sound and lights, the Hive venue for supporting us throughout the programme of classes and dance making. The Gateway for being a great place to rehearse. The SiD board who helped make the evening run smoothly, all the musicians who created the music used in the show, the Here There Everywhere team, Choreographer Siobhan Hayes, Designer Heidi Luker, the Mens Shed for making our 'Pramophone' and all our funders which made the classes and new dance work possible. It's been really hard but satisfying work for SiD co directors Rachel and Ray, bringing all this together but the beauty of the work made, seeing the joy that dance brings to everyone involved sure makes it worthwhile."

Being Me

Each month we will be shining a spotlight on a young person in our SEND community. If your young person would like to share their story with us, please contact Abi@paccshropshire.org.uk

This month meet Jack!

Hello. My name is Jack and I am 16 and a half, so I am now officially a "Young Person"! I have Downs Syndrome but it doesn't stop me from doing much and I have a very busy life.

I am still at school but do lots in the evenings and weekends. On Mondays I usually do cricket with my friends. On Tuesdays I go to Youth Club, Wednesdays I do football, Thursdays is musical theatre (I want to sign up for Mega Crew street dance too) and Fridays are family night. We like to watch programmes together like "Springwatch", "Taskmaster", "Pottery Throw Down", "Bake Off" and other things because we are all tired on a Friday!

I do musical theatre with Identity School of Dance, and was recently in a performance playing Danny from Grease with my girlfriend who played Sandy. The week before the show I was doing my Duke of Edinburgh expedition and I went straight from my expedition into the dress rehearsal on the Friday night and then had two performances on the Saturday so it was a bit tiring but I really enjoyed it all. The next day I went to see A Midsummer Nights Dream, a Shakespeare play, with my family and the director let us sit right at the front and I got to meet the cast. I already knew a little bit about the play because I've seen it on TV being done by CBeebies but it was great to see it as a real live performance.

In my spare time I love to listen to music and sing and dance around the house, I do drawing and play X-Box, Wii and Playstation. I love football and go to games and watch it on TV with my Dad. I support West Ham and Shrewsbury. I also like to cook and clean and tidy and I love it when I get my room sorted out. I love dogs and we don't have our own but sometimes we look after our friend's dogs and I really enjoy it.

I belong to the "Buddies" group and have made lots of lovely friends. We go bowling and do lots of other things too like canoeing, singing, walks, discos and activities in the holidays. We are going camping with the group in July and it is always so much fun - I cant wait!

I love it when my brother comes home to stay and this year I am also going to stay with him at his house in Aberystwyth for a whole week in the summer. I am *really* excited and it will help me to become a bit more independent.

I go to Severndale at Mary Webb but will be leaving school this year and I was very nervous about it but I have visited my new college and some of my friends are going there too so I am not so worried now. I am going to Futures for a while then I hope to do Hospitality and Food and Performing Arts, maybe at Derwen College but I am also going to go to Foxes Hotel open day in Minehead which is a specialist catering college for young people with additional needs so I will see what I prefer and then Mum can apply for me and I hope I will be lucky to go where I want.

I enjoy school and although I can find some things challenging and a bit tricky to understand because I have Downs Syndrome, people do help me. People are very kind to me when I am out and about too - I really enjoy my life and I just love being me!

Preparation for Adulthood

What is Preparation for Adulthood (PFA)?

Our early life experiences help us to prepare for life as an adult and this should be recognised as early as possible, although there is an expectation that Young People with SEND focus on PFA from Year 9.

Conversations about a young person's future should involve themselves, their parent carers, their teachers and anyone else who works with them.

What areas does PFA cover?

PFA covers all areas of your Young Person's life that will enable them to have the best outcomes as they enter adulthood, including:

- Further education
- Activity Plans
- Finances and Benefits
- Employment and Volunteering
- Annual Health Checks
- Staying Healthy
- Being Part of the local community

How does our PFA journey start?

Planning for transition into adulthood should start from the Year 9 annual review of the EHC plan. Each review thereafter must focus on preparing for adulthood- including the move between children's and adults services outside of education.

The transition towards adulthood review from Year 9 will start to gather information regarding the young persons and their families' aspirations for their future, including who needs to be involved, target planning and the support needed. The review will explore provision accessible to students in order for them to be healthy, participating in society, living independently, and accessing further education and/or employment where appropriate.

For more information, please contact our PFA Navigators

Activity Programme

Our activity programme has been designed to provide a variety of opportunities across Shropshire. These offer safe and sensitive environments for children with Special Educational Needs and Disabilities to have fun, make friends, and be active.

We strive to make sure that each child's experience is suitable to their individual needs and abilities. As soon as a child joins our community, they will receive a welcome email containing a one page profile and membership number as well as links to our membership pack. Activity packs can also be collected at any of our activities .

All activities are designed to be as inclusive as they can be. However, we cannot provide 1:1 support, deliver personal care, or manage some complex needs due to the way the activities are funded. We encourage families to discuss their child's needs with activity providers to ensure they will have a positive experience.

If a child requires support that we cannot offer, a trusted adult / personal assistant / parent carer are welcome to attend with the child to ensure they can participate safely. Families can access a personal assistant through a personal budget that may be available through a Social Care Needs Assessment. Shropshire Council can provide this assessment via their Disabled Childrens Team.

All In Membership

Shropshire Council are responsible for allocating All In Membership. To be eligible for membership a child must:

- Live in the Shropshire Council Area
- Be aged under 18 years
- Have a disability and / or special educational needs
- Struggle to participate in 'mainstream' activities

Parent Carers need to complete a short membership request form, this helps Shropshire Council decide if access to All In will be appropriate for your child, so please complete it as fully and honestly as you can.

Parent Carers will be asked to provide consent for information sharing with Actio. This is required so that Actio can contact families and gather information from the activity providers about those attending sessions. This helps Actio to develop the activity programmes they offer to better meet the needs of children in our community.

If you would like to apply for All In Membership, you can do so through Shropshire Councils website by searching for "All In" or copy the below link:
