Spring holiday clubs.

Booking:

All bookings are being made directly with the organisations running the holiday clubs. Your child/ren will be given a HAF Information leaflet and unique code via their school. **You will need to use this code when booking.**

What You Need To Do:

1. Use this Guide to find which holiday club is suitable for your child/ren. Check dates and times using the online searchable timetable.
2. Book onto activity by contacting the organisation running the holiday club direct, using the contact details in this Guide.
3. When making a booking, please quote your unique HAF Code (see information leaflet issued by your child/rens school, or through professional referral).
4. If your child/ren has SEND (Special Educational Needs & Disabilities) or receives any extra help at school, before booking onto activity, please contact the holiday club to discuss your child/s needs. Please see page 6 for more information.

Any queries you have about your booking or the activities on offer, please contact the organisation running the holiday club directly.

Codes

The unique code entitles your child/ren to attend 4 sessions of free holiday activity in Shropshire during the Spring/Easter holidays.

Please don't use this code to book onto more than 4 sessions of activity, it won't be valid.

This code is individual to your child/s school and is not transferable to other children.

How do I know if my child/ren is able to access HAF activity for free?

Core Eligibility - There are free places available on the programme for children and young people aged 4 (who are in reception class or equivalent) to 16, who are eligible for benefits-related free school meals.

All eligible children and young people will get information about the programme direct from their school.

Professional Referrals

Wider Eligibility - There are a limited number of free places available for children and young people on the winter programme, living in areas of high deprivation and/or from low-income households, who are not in receipt of benefits related free school meals.

These children and young people can be referred onto the programme by a professional.

To request a referral form and for more information please email HAF.programme@shropshire.gov.uk or visit www.shropshire.gov.uk/haf

SEND (Special Educational Needs and Disabilities) or children and young people who receive any extra help at school

A number of providers are running activity, with places available for children and young people with SEND. These places are at settings offering mainstream programmes with a range of children and young people. These have been highlighted in the Guide.

Before booking onto any activity, please contact the provider to discuss your child/s needs.

1:1 Support:

If your child/ren requires 1:1 support at school (mainstream or specialist) or in any other educational setting, they will also need 1:1 support to access the suitable HAF holiday clubs.

Currently, the HAF programme is unfortunately unable to fund 1:1 support - any child needing 1:1 support to access the programme would need to have 1:1 funding and support in place before attending.

If you have funding in place and need help sourcing a PA to support your child/ren to take part in HAF

activities, some of the activity providers can help. For a fee they may be able to provide a member of staff to offer your child/ren 1:1 support. Please ask the organisations direct about availability and costs. As mentioned above HAF is not able to fund this 1:1 support.

More information and support is available at www.shropshire.gov.uk/the-send-local-offer/family-support/information-advice-and-support-service-iass/ and email local.offer@shropshire.gov.uk

Paid Places & Longer Activity Sessions

Some of the holiday clubs also include paid spaces for children and young people who are not eligible for the HAF programme. These have been highlighted in the Guide. Please contact the organisation running the club to make a booking. Some organisations are subsidising the HAF programme and are running for longer than the HAF funded 4 hours a day.
