

THE CORBET SCHOOL

Headteacher Dr Jane Tinker BSc MA(Ed) EdD NPQH

8 January 2026

Dear Parents / Carers

Due to the school closure tomorrow, teachers will endeavour to set some optional activities on Satchel:One for pupils to access during the school day, should they wish to do so.

These activities are intended to keep pupils occupied if they choose not to be outside enjoying the wintry conditions and getting some fresh air. The activities will not be assessed, and there is no requirement for pupils to complete them. However, pupils are very welcome to share what they have been doing with their teachers on their return to school if they would like to.

If weather conditions mean that the school is also unable to open on Monday, teachers will be asked to set schoolwork on Satchel:One that is more closely aligned with the normal curriculum, and pupils will be expected to complete this work as they would do in school.

We will keep you informed with any further updates regarding school opening as soon as possible.

Thank you for your continued support.

Yours sincerely

Mr G Simms
Deputy Headteacher
