Dear Parent / Carer

Key Stage 4 Curriculum & Options Evening – Thursday 12 March 2026, 4pm-6pm

It is fast approaching the very important stage in your child's education when we will be asking your son / daughter to make their choices as to which subjects they would like to study at Key Stage 4.

To support the process, you and your child are invited to a 'Key Stage 4 Curriculum & Options Evening' at school on Thursday 12 March 2026.

You should have already received a copy of the 'Options Booklet' which details all the courses of study for Years 10 and 11 at the school, and it contains a link for you to use to indicate your child's subject choices.

The purpose of the 'Key Stage 4 Curriculum & Options Evening' is to provide you with additional information from subject teachers relating to courses available to your child. It is unlikely that the staff will be able to answer questions relating specifically to your child's suitability towards particular courses. It is our hope that you will have already received this type of information at parents' evening and through the Year 9 reports you will receive soon.

The teaching staff will be located in different parts of the school; mostly in their department areas, but not exclusively. **Please enter and exit through the main school entrance if arriving on foot. Parking is available on the car park near the bus turn - please enter via the bus turn entrance and staff will be available to direct you. Please then enter the school premises via the door near the library and make your way to reception to collect a map for the event.**

You are invited to attend a brief presentation in the School Hall at either 4pm or 5pm outlining the options process and details regarding the format of the evening. Please arrive for the presentation 10 minutes before the start time to ensure everyone can be seated in time.

We look forward to seeing you on **Thursday 12 March 2026.**

Yours sincerely

Mr G Simms
