# THE CORBET SCHOOL

## **Musical Instrument & Singing Tuition**

Where pupils want to learn to play an instrument or sing within the school day, The Corbet School seeks to find suitably qualified tutors to support a programme that provides a wide choice at an affordable price. This is achieved by securing the services of a variety of independent tutors and tutors available through the Shropshire Music Service and Music Heroes.

Independent tutors, Shropshire Music Service and Music Heroes set their own Terms and Conditions and prices. They receive payment directly from parents.

In order to help you select the tuition that you would most prefer for your child a letter provided overleaf, which summarises the options available. Your chosen provider will then contact you to arrange lessons and payment.

A forms form will be sent to you direct via email for **existing lessons** or if you are joining us in September 2026, an email will be sent from your Primary School. The Forms Form must be completed for new lessons and existing lessons. This letter and the forms form will be on our website.

This will help the music department co-ordinate lessons, oversee timetables and allocate practice rooms accordingly. **Please note we cannot guarantee practise room space without this form even if you have been in contact with a tuition provider directly.**

Please can you read the options provided and complete the forms form that has been provided.

If you have any questions please contact myself Emma Bunn (Head of Music).
